Waverille N.Y.

Dear Judge -

I should have
acknowledge reception of
money. Some time ago,
and must say pardon for
delinquency. I was more
than please to find you
at your accustomed place
on the pages of the "Inter
Ocean", I truly hope that
you have not abandoned
the N. Citizen. If not, please
have the kindness to
inform me if I will
be privilege to take the
same number of stocks
or more. Will the new
arrangements change the

plans of stock holders
when the paper is publi-
shed? I would be pleased
if I could "stay on" and
help "push".

I am with wishes
and that the best for
you and the work for
which, and to which
you have so devoted
your whole life.
