Judge A. Bin Scurgen

Dear Sir:

I have delayed thanking you  
for returning the Corpse  
Steamboat book, which I  
suppose was lost by the  
perking my house somewhere  
about the dock here -

because I hoped to secure  
evidences for a better  
condition for providing for  
the criminals of our county  
believing that surroundings  
affect our moral, as well as  
our animal nature & that  
men should be reformed rather  
than debased by incarceration in  
a jail Truly Yours  
Mrs Jennie C. Cook
