July 9, 1894.

Mr. Albion W. Tourgee,

Mayville, N.Y.

Dear Sir:-

In regard to the price as quoted you upon vehicles a few days since, we beg to advise that the prices as quoted were our bottom wholesale prices. We gave you this benefit, inasmuch as we did not have an acting local agency in Mayville at this time. and we made price as cheap for one vehicle as we would for 50. It is a fact, of course, that vehicles, like any other products manufactured, are sold at all prices, and usually, we believe, according to the grade and cost.

#55 1/2 would weigh 410 lbs. We are still in a position to make prompt shipment of ne of these vehicles to you.

Yours truly,

H. H. Babcock Company.
