FORDS, HOWARD, & HULBERT,

No. 47 East 10th Street,

New York, July 12 1894

Dear Mrs. Sawyer:

Your letter of the 10th inst. was duly rec'd.

I called on the Current Literature people this morning. The manager told me that he had just mailed you a check. I suppose it will reach you as soon as this does. Their regular pay day is the 15th, but they sent a check in advance to accommodate you. Yrs sincerely
J. H. Bell
