Dear madam

I have learned that you have ordered your coal of Mr. Tennant for your next winter which you have no right to do but I do not think that you are using me quite right in so doing for I have carried your account of which there is \$6.⁰⁰ dollars yet unpaid

Now I am selling coal just as cheap as he is and I also screen my coal which he does not. but if you are inclined to buy your coal of Mr. Tennant you will please send me check for the above amount and oblige

Yours truly

M. J. Carlson.
