My dear Judge

I am figuring to take advantage of your kind invitation to visit you to show up about next Sunday morning if I can get away and you are in shape to put in a day with me. My program would be to leave here on the Erie Ry train # 10 at 1 P.M. arriving at Jamestown 6.21 P.M. or possibly on train 12 arriving there at 3.12 P.M. In the event of my going by train 10 I will not attempt to find you until Sunday morning staying in Jamestown overnight. That is the Hotel in Jamestown. My wife expects to start up the Lakes on Friday - so that if she gets off on time I shall be in shape to assist my personal rights and a day with you will be a treat that is what I want and if you are at home and disengaged never mind the quarters I can stand a hotel. Show noticed but answer quick

I will have to return home on Monday at 11.15 A.M.

Yours
 A. M. Robbins
