My dear Mrs. Tounge,

The thought of  
Buttore's Inn is as  
a sweet morsel un-  
der my tongue. The  
Doctor & I are both  
more than ready to  
read, and certain  
that we shall enjoy

Thank you very much  
for calling our atten-  
tion to it and thank  
Judge Lougee too, - for  
obvious reasons.

With the best regards  
of both Dr. Howe and  
myself

Sincerely yours,  
Elizabeth Howe.
