Dear A. H. Jagger:

My dear Sir:

The condition of  
the County jail is a disgrace to the  
County: Considerations of local politics or  
local interests of any kind should no  
longer delay action. I speak of what I  
know as I have frequently seen prisoners  
confined in that miserable place. I sincerely  
trust that your efforts will be successful.

Sincerely Yours

E. J. Sumner.
