Chautauque

My dear Mrs Duffie

I was delighted
with the beautiful book
you so kindly sent me
and also, very sorry in-
deed to have missed
seeing you when you
brought it.

I have just had time
to glance it over, but
am the more eager to

read it carefully. and
to study Miss Inge's
Charming illustrations.
How grand it must be
to illustrate a book.

I have been perfectly
absorbed all the week in
our circus. I enclose tickets
which I hope will not
be too late for you to use.
If I had not had so
very many details to en-
gage my attention I

should have gotten them to you earlier.
Here are the performances 2:30 & 8:00 PM.
I hope you will enjoy -

With many thanks -

Yours sincerely
Irene Palmer Vincent
