Judge Abner W. Touzée

Dear Sir

I sent you the photographs of Col. in the Spring, and later 25<sup>th</sup> of June I think I sent you a sketch of his life from boy hood. And as I have had no notice of the receipt of either - fear they may have been lost - although I sent photographs by express, and the office here has had no notification that they were not delivered to the proper parties - Hoping to hear from you soon I am

Very Respectfully Yours  
Wm W. R. Colles
