Dear Madam

The rec'd letter with outlines we will be pleased to send on a pair Kid ties, but a far more accurate fit can be obtained by mailing us as a guide an old shoe that Miss Anne has been wearing, no matter whether it is a proper fit or not as we can judge from the impression the foot has made on it, what size to send. In case you cannot spare a shoe then we will use our best judgement and select a pair according to the outlines.

The enclose herewith bill for the amount and on receipt of reply we will promptly forward the ties.

Very Resp.

P. Kahler Sons
