Dear Miss:

Yours of the 6th inst
at hand and we note you say
you will forward box to us by
Express: your letter was dated
the 6th - if you sent same that
day we should have received the
box by Wednesday: it is now
Friday noon & no box.

If you have not sent box, please
do so at once, and if you have
done so, kindly put traces on
its track, as this is more than
ordinary curiosity on our part.

Your charge that box of Choc-
olates was stale is perfectly
proper, but, as a matter of business
we naturally wish to examine
same ourselves -

Kindly give this your
prompt attention

Oblige

Yours truly,
