My dear Miss Kilbourn

I have taken
a sudden fit for
wanting to go to May-
ville to get a freeze
from the lake here
now. I remember
when traveling in
that direction once
of sitting with a lady
who voluntarily told

The last two or three times I was
at Point Whiteside, so have had to
give that place up. It was always
very convenient & goes there and
I miss the convenience very much.
May I ask for an early reply and
trusting that I may have the pleasure
of seeing you a labor in return soon.
Yours, I am very sincerely yours

one of two or three
places in Mayville
where they took a
few boarders at from
five to six dollars per
week, good table and
pleasant rooms. I wish
now I had paid at-
tention to what she said,
but the names I have
entirely forgotten. Will
you kindly tell me
of any such places
that you may know
of, and ~~could~~ recommend
I was not at all well
