Albion W. Fargess, Esq.

Dear Sir. I do sincerely hope that you will pardon me for such long delay in acknowledging the receipt of your valuable little pamphlet. That you sent me last Spring. Which I assure you are highly appreciated - for its principles therein are certainly sound and well thought - and would do credit to any party that would adopt them. and I certainly do not know of any writer that has entitled him self so unflinchingly for the negro's cause as you have. and I do sincerely hope that you will in the near future receive a better and fuller remuneration than we poor downy traded people can give. I noticed in the By Standers News a couple of weeks ago an article that some Negro had had words to the Detroit Free Press saying that the Democrats of the South had did as much for the Negro as the Republicans of the North.

Or something to that effect. At any
Rate you can put him down as a
Tool for the Democrats. And all they care
for him is to use him on Election days -
in one sense of the word it was not
worthy of note, and yet a man like
yourself that has put him self
before the people can't help but
Repudiate the False Statement that this
Democratic Tool had the nerve to have
published, and I certainly do think
that you were very misled in your
Condemnation of him. Or rather you
Rectifying his misunderstanding of you -
and again I noticed some time ago an
article in the Dispatch of this city - Chicago -
purporting to something that you said
that you did not know, it is too bad
that this Black Guard of a Sensational
penny paper could not find something
at home to attack. I hope you will pardon
me for being so outspoken. The same fire
Burns in me as it does in you -

I Remain Sincerely Your
Servant. W.M.C. Ray 538-63rd St. Englewood
