New York, August 17th, 1884.

My Dear Mr. Tourgee:-

The second installment of
your "Story of a Droussard" was received
to-day and forwarded to Mr. Raxington,
who is illustrating it.

As I understand, he is going away
before long.

May I know from you when we are to
have the balance of the MS.?

Yours very truly,

Arthur S. Hardy
