Dear Miss:

Yours of the 20th inst.
with American Express Co's letter
enclosed, at hand. We regret
very much that you have been
caused this trouble, but of course
you can readily see our position.

I am more than sorry that the
Candy was lost - but as such is
the case we can do nothing else
but send the Express Company a
bill for same.

Trusting this annoyance
may not occur again.

We are

Yours truly,
