Dear Friend

A man called on me last evening to know if the place near your father's old home was for sale, and if so at what price, by paying \$100. down and the balance in annual payments of a \$100. each with annual interest at 6% payments after the first to be made in December. He claims that his mother owned real estate in Wayne Co O and also money loaned there that they expect to realize from to meet the payments and would want to pay as fast as they realized the same whether due or not. He desires to know about it at once for if he should purchase he would want to occupy the place at once by putting a lot of straw into the

bain and to fit and put in a piece
of Wheat this fall, I am not acquainted
with the party so can't vouch for him,
think however that his mother who
has the means as above would be the
 ^{purchaser & the}
owner if a trade is consummated.

Please let me hear from you by return
mail if possible, and if I can be of
any use in the matter please what,
to do, I am only one day over
76 years old, and ought to be able
to do something for my old friends.
All usually well and would like
to know how you and yours are
getting along especially with the 105th
History.

Always yours

M. W. Wright
