My Dear Mr. Tourgee:-

I received the second installment of the Story of a Thousand and have forwarded it to Mr. Remington, who is doing the illustration.

Yours of the 25th inst. is at hand, and I am glad to hear that the balance of the MS. will soon be sent us, as Mr. Remington is going away, and is anxious to have it in hand as soon as possible.

I have handed your letter to Mr. Hart, who has the illustration in hand, asking him to forward you portraits, as requested.

Yours sincerely,

Arthur Sherman Hardy
