Dear Madame:-

Probably you are right about the number of books unpaid for though I have a memo of but nine. I have been rather careless in making the memo. as the books were often brought in when we were busy and I did not make a note of them at once. 10. at 2.00 would be 20.00 less 1/3 = $13.33. Please send me a receipted bill for same and oblige.

Yours truly
H. H. Otis & Sons
