I hereby leave
whether I ought to ~~subscribe~~,
do it or not;
but I will write you 1000 to 1200
words monthly for $600. Subjects
of my own selection. It is
a certain work & time keeps
out of us a mere matter of
business, and I may regret
this. To be candid, I dislike of

CHAUTAUQUA COUNTY HISTORICAL SOCIETY 2013

expect you to make such a pro-
posal, ~~and did not do so~~ but
as you took me at my word,
it would be bad faith to
name a price which your
~~periodical~~ would not be
likely to be within the range
of your periodical.
I should expect of course to put it
~~under a permanent title~~, which

Yours truly

I would copyright ~~and retain~~ book-
-right. I think the title I should use
would be "A Fool's Notions", and I
should expect to deal separately, with
individualism in government.
