Dear Sir

How are matters and things with you now that the Dems are on their last legs? Has the revivifying wave struck you yet? Hope so and that you will soon feel encouraged to proceed with your inventions. I have felt some pulsations of the returning tide, I think, and hope to see, soon, indication that you have felt some of its power.

If you want that application filed that I sent you in July last, I will file it on receipt of the government fee and $10. for making the drawings - waiting for the balance of my fee - that is if you will be helped thereby - of course this is not my custom but if it will be helpful to you I will do it in this case.

Truly yours
Chas J. Gooch
