Mrs. Emma K. Tourgee,

Mayville, N. Y.

Dear Mrs. Tourgee, -

I have your kind favor of Oct. 1st and hasten to say that any copies that you send to the press for review we shall be glad to give you proper credit for, if you will give us the name of the paper and the date on which it is sent so that we may enter it on our book and keep a proper check thereon.

We are having circulars printed now and shall be glad to send you some when they are ready.

We have sent copies to the "Dansville Advertiser" and to the "Inquirer" at Buffalo.

I enclose a letter for the Judge which we received this morning.

Yours very truly,

MERRILL & BAKER,
