Mrs. A. W. Tourgee,

Mayville, N. Y.

Dear Mrs. Tourgee:--

I am very glad indeed to have "An Outing with the Queen of Hearts" and I like it the better because it comes from the "Queen of Hearts." It is certainly a beautiful little volume and I congratulate the daughter on her good work. I was afraid I had missed the Judge as I found no trace of him in the city, and I was glad to have your report of his trip and to know that it did him good. By the way, if you have an old copy of "A Fool's Errand" lying around loose and could pursuade the Judge to write his name in it and send it to me, I will prize it very highly.

Very Sincerely,

Wm. R. Busbey
