Dear Mrs Longee
I must begin
with an excuse I was
tought to write my name
Eliz ebon & all Reason for
account I have neglected
it that way Late years
I have been reproved so
much for not writing a Plain
that I concluded to use only
the E to when writing to friends
When I write you about the
Interest my meaning was
to Leave you not one
Lo that in case of my death
before the time years the
interest would come entire
the estate & not your

I felt as if I could
sit for three thousand
in the middle of the
city and not be could
hear even around
that darn barking
