Judge A. W. Tourgee.
Mayville, N. Y.

Dear Sir- I hope you will pardon me for intruding on your valuable time, but I wish to ask you one or two questions to settle a controversy, knowing I shall get the facts in the case.

Is Blaine or Harrison the author of reciprocity?

I think Mr. Blaine was, and did he not conceive the idea before Mr. Harrison was Pres.?

Very Respectfully,
Thurlow E. Richards.
