ARTHUR R. WARREN,
Attorney at Law,
PHOENIX BLOCK,
27½ S. Limestone St.

Springfield, Ohio, Oct 9th 189[illegible]

Dear Judge, I have decided to locate here and have opened an office. There are fewer lawyers in this county in proportion to the population than any other in the state.

My office is very pleasantly situated on the principal business street. Springfield is growing rapidly and now has 40,000 people.

We will like it here from a social standpoint very much, having already met a number of very pleasant people.

Have been buying quite a good many law books and now have a very fair working library, — of text books, but am not so well off in regard to reports.

Hoping you are all well I remain

Sincerely yours
Arthur R. Warren
