Judge A. W. Tourgee
Honord President

I mailed from Lebanon S.D.
to your address on July 10th 94
a letter containing two applications
for membership in the N.C.
R.A. but we got no return
the Gentlemens names are
L.C. Johnson of Lebanon and
H.W. Rodenbraus, of Seneca. S.D.
later in the month (the 12th) I lectured
in Mound City on "Citizens
Rights" and obtained the
signature of several to
our application sheets
among them was the local
Editor Mr Kipp, I sent in

the application sheet
with the proper stamps
and a request for more
blanks, but have no
returns as yet, I felt
stunned and sensitive at
first but on reflection
have made up my mind
that my letter must
have been lost in the
strike, I am young yet
and have by no means finished
my studies yet I am too
much of an American to
wish to be idle while
Anarchy is usurping the
place of Patriotism in the
Citizens hearts, and believing
the N.C.R.A. is a channel through
which we can all work to
raise the standard of Citizenship.
if you will kindly send
me some more Blanks
I would at least obtain
a dozen of those large
Application sheets
Also could you procure
me some Literature
on Workers Organizations
arguments? I have
erty Meetings every evening and
your Memorial Letter
Resolution Convention
at Minneapolis
I shall be obliged
Obey, Enclosed you will
find Stamps for the
postage of
I remain
