Conan, supplementing it with your interesting letter. I need not say that the members were delighted and have instructed me to tender you their sincere thanks.

I beg that you will convey to Mrs Conan Doyle my thanks for her kindness in sending me your photograph. I shall always keep it lovingly. I have received a list of the books you mentioned in your visit to my father and I suppose I may expect them about December 25th.

One of our members has received from A. Conan Doyle a very interesting letter in relation to his "Great Shadow" a portion of which will be read at our next meeting.

Thanking you for your kindness, I remain Sir

Very gratefully yours,

Ashley Trimble Cole
