Dear Sir and Comrade —

After you left Youngstown on Friday last the Ass'n appointed a committee to select a design for the monument on the Chickamauga battlefield consisting of Comrade Clapp — Col. Perkins and yourself — Your name was added to the committee at the suggestion of Capt Cummings, he stating that although he did ~~not~~ desire ~~to~~ burden you with onerous duties, yet thought your advice and counsel in the matter would be of service to the Committee as well as to the Association — I have written to Comrade Clapp informing him of the appointment — And I presume he will correspond with you in regard to ~~the~~ matter —

Yours sincerely
M L Maynard
