Dear Friend and Comrade: The "Souvenir" of 105th, came to hand this morning, and I was much gratified to receive it. Enclosed find 50¢, which I understand the cost to be. I regretted exceedingly that I was unable to go to Youngstown, to the 19th Annual Reunion, but so it had to be. I see you mention the trouble, or utter inability experienced in procuring desired information from the War Department. I have a complete set of "muster rolls" of the 105th, prepared for me, at Columbus, O., in 1870, I believe. If you need or desire those rolls, let me know, and I will forward them. Yours in F. C. & L.
