My Dear Sir

I write to say that your articles - They By Slauden in the Inter Ocean and. being carefully read by many and I desire to congratulate you upon. the tense and comprehensive wording of them. Now While the people have so much leasure to read and think. they cannot fail to do a vast amount of good.

You will no doubt understand my appreciation of them when I tell you. I followed the flag from 1861 to 1865. With the surrender of Johnson. With great respect and kind wishes

I am truly yours
