Hoopeston Nov. 5th 1894.

Mrs Fourgey,

Madam—

Your letter of the 1st received, and would say in reply that I can not take and pay. like that, when I put in the coal you agreed to pay five dollars per week that paid for and as you have not done as you agreed I will have to have at least part of the money I have bills to meet and the money would help me greatly. The bill is $44.89 you have only paid $4.00
