Mrs A. H. Sawyer

Dear Madam.

On my return from a visit to Omaha Neb, I find, placed upon my desk by my son Frederick, a copy of the souvenir of the 105th Ohio Vols accompanied by a very kind note from you, saying "the Judge thought it might interest" me. I have been through it with great interest and anticipate reading the forthcoming "Story of a Thousand" with delight, from the pen of the gifted Author. Please accept my sincere thanks for your kindness and to the Judge my warm appreciation of his courtesy.

Very truly &c
