G. H. BURROWS, PRESIDENT CHARLES E. MERRIAM, VICE-PRESIDENT ~~HALSEY W. SNOW~~ E.B. Burrows, TREASURER

Standard Wagon Co. of N.Y.

447 AND 449 BROADWAY,

ALBANY, N. Y., Nov 7/94.

My dear Judge:

I have never had the decency or done myself the pleasure of acknowledging and expressing my enjoyment of your Excessingly graceful and pleasant "Outing with the Queen of Hearts." It is the memory — the sentiment of a summer day Canoe and sailing formed.

We enjoyed it very much. Just as we were finishing it a telegram summoned me here. The Eastern ~~Representative~~ House of my Western Cincinnati factory was getting into deep water and he wanted some one whom he could trust to take hold of it for a while, and so I am in this old Dutch city for the winter. Mrs Burrows is at present in Cincinnati.

With most cordial regards to the ladies of your family

Sincerely and Cordially Yours

E. J. Burrows.

Of course the G.O.P. is getting more than it was given for it just now.
