on evening session of our Literary Society at-
which time we invite some good speaker to
address the people. We usually have one written
article & a Poem & recitation from our Society &
an address. These lectures are free & open to the
Public. We are trying to show our people especially
our young men & this building & keep them away
from saloons & so by having one a Month Free

to favor us for one of these Lectures. At any time
most convenient for you. either in Nov. or Dec-

most happy to entertain you at our home. Bring Mrs
Guyon or any of your family. We shall be very
glad to show our pretty building for which
our Ladies Literary Club have worked so hard &
made so many sacrifices. Judge and Mrs Reynolds
