Well, my dear Judge, I reckon you and I will have that dinner when you come to Chicago & you will have to carry out your promise & foot the bill.

Your proposition was that the dinner would be at your expense if Hill did not run ahead of his ticket & the damned scoundrel didn't do it. As clipping under cover clearly demonstrates.

This account shows the vote of dead Beat Kell to be 531.402. and that of Lieut Gov. Lockwood on same ticket to be 557.495. so that Hill ran behind his ticket 26.093.

Well. we "licked the stuffin out er them" any how. Just think, all of Illinois' members of the House are Republican. Ain't it good!

Respects to you and yours good better half
