Dear Sir

I have been an admirer of your works, and the "Bystanders Notes" for several years, and found them quite suggestive in preparing my own book, The White Side of a Black Subject.

I send you today, with compliments and best wishes, a copy of my book; hoping it will meet with your approval, and that you will kindly review it, either in the "Bystanders Notes" or in the form

CHAUTAUQUA COUNTY NY HISTORICAL SOCIETY 2013

of a personal letter giving your impressions.

Yours truly,

Norman B. Wood
