Gentlemen:

Please send one, by mail with bill, screw bolts, and nuts of the same general character of the enclosed sample, as follows:

2 — Gross 3/16 inch ~~width~~ and 1/4 inch long ~~long~~.

~~Should be like the heads of. Nuts to be hexagon and 1/2 inch~~

1 — Gross 1/4 inch and 1/2 inch long.

Note the sizes. I want the first to measure 1/4 of an inch from the end of the screw to the head: the second 1/2 inch: the former to be 3/16 inch diameter; the latter 5/16.
