My dear Friend:

I hear nothing more from you through the Inter Ocean - what does it mean?

Are you not able to write or have you selected some other channel?

The Separate coach case passed from the lower Court yesterday on an appeal from the Verdict of the jury giving Rev. Anderson [illegible]

CHAUTAUQUA COUNTY NY HISTORICAL SOCIETY 2018

The test case against
the L. & N. R.R. Co.,
This was made the test
case by the Separate coach
Committee. Judge Bar-
gan the Anderson $15.00 —
to which L & N demurred on
plea that the Co. had right to
make such a rule. Judge
Barr overruled the demurr-
and case went to the jury
on issue joined with above
result. Judge Barr cut out
the "reasonable rule or regula-
tion" theory or snare. and placed
the case on its legal right un-
der the 14 Amendment — a Law
manly act. makes a simple case
if there is man hood to conduct
it right. I send it to Com. An other
plea for your selection, to-day.
Sincerily J. L. Robinson
