Mrs. A. W. Tourgee,

Mayville, N. Y.

Dear Mrs. Tourgee:--

Mabel was very much pleased with the pictures of the Judge you sent and she asks me to thank you for your interest in the matter.

The advertising pictures came to hand on Tuesday. I talked with Mr. Stokes our advertising manager about the matter and I will make inquiries among our larger advertising establishments and report to you. There are only two or three houses here like Armour and Cudahy that do anything in this line, but there are several houses in New York. Mr. Stokes will try to secure some information that will be of advantage to your daughter. I certainly will do all I can to forward her interests.

Yours truly,

Wm. H. Bushey.
