Hon. A. W. Tourgee,

Mayville, N. Y.

My Dear Judge Tourgee:-

I am in receipt of yours of the 15th. inst. and am exceedingly gratified at its contents. This, I may say, embraces both the disposition you propose to make for the time being of the work which you offered to us, and your proposition in regard to the one which your letter especially concerns.

Let me say now as to this latter, that we think very favorably of it indeed and it looks to me as though the way would open for us to take it. We will see what can be done in regard to the formation of a syndicate providing for its publication in three or four or more of our religious Weeklies. The result of this we will let you know at an early day. I am inclined, however, to think that we may take the book at the rates you propose even though we do not effect such an arrangement. When I know definitely in regard to this point I will write more fully.

Very sincerely yours,

Dict. P.L.J.
