Dear Sir —

In answer to your letter of 19th inst. to F. A. Cody of this place (a member of Dan's G. A. R Post) I have to say that Dan's G. A. R Boys are not financially able to pay 50.00 for a Memorial Day address - The question of a Speaker for May 30th was up a short ago and Comrade Cody spoke of you as a Comrade of his regt and agreed to write you for terms etc - We all should be glad to have you with us that day, but it is out of the question

Yours in F. C. & L
