Judge Albion W. Tourgee,

Mayville, N. Y.

Dear Sir:-

We are certainly under obligations to you for your surgestion in regard to issuing an edition of your "Story of a Thousand", and ordinarily might take the matter up on the basis you propose, but we are just issuing a book which will require our close attention for a while and we will therefore have to keep within the limits we have marked out. We were in hopes that you had not yet let the contract for the printing, and in that event would probably have been justified in making you a favorable offer. Should you contemplate getting out another volume in the near future, we would be pleased to confer with you as to its publication.

Very truly Yours,

THE CLEVELAND PRINTING & PUBLISHING CO.
