Judge A. W. Tourgee
Editor "The Basis"
Buffalo N. Y.

Dear Sir: I am informed by friends at Buffalo that you are about to issue "The Basis"

I am a printer, having served eleven years at the trade) was foreman on The Daily Herald until last summer when it stopped publication on account of the hard times in this valley. I would be pleased to have a situation as foreman, ad-man or compositor on your paper. I can give you references from my former employers, any of the city officials, cashiers of the National Banks or postmaster of this city. I am 27 years old, do not taste liquor. I would be pleased to hear from you, and would do all in my power to help "The Basis." Yours truly

Frank J. McMullen.
