Judge Dougan,
My Dear Sir:

I notice by the Philadelphia Ledger you are about to publish a weekly called "The Basis", and I write to inquire if you have engaged your business manager, if not I would be pleased to correspond on that point. I am 30 yrs. of age, married, and have been president & General manager of the Camden Daily Telegram for 3 years, and have also managed the True Republican. Am a good business man, having an expert accountant of 13 years experience. Can refer you to the best people in Philadelphia & Camden. Awaiting your answer I remain

Yours Respy
