Dear Sir,

I take pleasure in sending you a copy of the Evangelist and calling your attention to its value as an advertising medium of Prize Sermons.

It has been established by years reaches at least two thirds of the Presbyterian ministers in the U.S, and also numerous other readers who would be interested in the competition.

Our rate is low - 15¢ per line, and I hope to receive copy from you at an early date, and I am sure it would amply repay you.

Yours truly,

F.M. Chow
