ATTORNEYS AT LAW.

JEFFERSON, ASHTABULA COUNTY, OHIO.

Jefferson, Ohio, March 21st 1895.

Hon. A. W. Tourgee,

My Dear Sir,—

Judge H. B. Woodbury has been sick most of time during the past month. I saw him to-day and he said he would look among his fathers papers, so soon as he is able, as to the other members of said Co. Com. He says he has a poor picture of his father but will furnish you the best he has. I told him he had better write to you, and send the photo. He is not able to attend to any business, and the information you desire, if furnished may possibly come too late.

I learn with pleasure that our Senior class,—of which my daughter Cora is a member—has made an effort to have you come here at Commencement in June.

I am aware of the value of your time, the busy life you lead and the situation in which such an occasion would probably find you.

I hope you may be able to come.

Yours very truly.

E. J. Betts.
