Parkers Landing Pa March 22nd 1895

Dear Bro

Your Postal at hand. In reply will state that I am glad to hear from you - gladly would I meet with you at your Annuals but my health is not good & it is a great inconvenience for me to leave from home.

It is a fact "we are passing away" At this time I have sickness in my home - one of my children down with Typhoid Fever. Herewith I send you a dollar for a copy of the Hymnary and the other fifty cents, you can use for the good of your organization.

Yours fraternally
