Tidioute, Pa., March 23rd 1895

My Dr Judge:—

Don't put me on first page or make me unduly prominent in your paper. I get along fairly well as a modest unpretending man but I can not stand the fierce light that beats &c

I am hunting up odds & ends & leave tonight for Scranton, Philad. &c — Home in perhaps ten days or two weeks — letters will be forwarded

I enclose some subscriptions for a beginning — will see about the 500 later.

Will send you a roster of Prots in Penna. when out.

Yours truly

H. H. Cumings

These are all my compliments to the persons to whom they are sent — I think they will enjoy & profit and I hope will subscribe for themselves next year.

I enclose N.Y. Draft $30.00 to pay for subscriptions

20 — at 1.50 $30.00
