* OFFICE OF *

Newcomb, Endicott & Co.

DRY GOODS & CARPETS.

Detroit, March 1895

Hon A W Sawyer

Dear Sir:

I have noticed in several papers that you are about to start a paper to be called The Basis. When will you commence to issue the same? I gave you a list some time ago of persons that promised to take paper some time ago. Most of them are still here and I think will subscribe now. At any rate put me down on the list and when I hear particulars will remit.

Yours respectfully

Wm. H Anderson
